**ORDER APPROVING TARIFF AND ISSUING CERTIFICATE**

(Issued May 30, 2002)

On May 1, 2002, Long Lines Metro, Inc. (Long Lines), filed a proposed local exchange tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the Sioux City, Iowa, exchange maps and boundaries of Qwest Corporation (Qwest). The proposed tariff has been identified as Docket No. TF-02-179.

On March 4, 2002, the Board issued an order in Docket No. TCU-01-23, approving Long Lines' application to provide telecommunication service in the Sioux City, Iowa, exchange and approving concurrence in Qwest's exchange maps. Also in the March 4, 2002, order, the Board stated that a certificate would be issued when Long Lines obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. Long Lines requests the Board approve the proposed tariff and grant it a certificate to provide service in the Sioux City, Iowa, exchange.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The Board will approve

the tariff effective date of May 30, 2002, as requested by Long Lines, and issue Long Lines a certificate concurrent with this order.

**IT IS THEREFORE ORDERED:**

1. The tariff filed by Long Lines Metro, Inc., on May 1, 2002, is approved effective May 30, 2002.
2. A certificate, identified as Certificate No. 0248, is being issued to Long Lines Metro, Inc., concurrent with this order.
